

TO: ALL PERSPECTIVE CRAFTERS

FROM: BLACK WALNUT FESTIVAL BOARD OF DIRECTORS

FESTIVAL DATES: OCTOBER 11-14, 2007

The Black Walnut Festival committee is now accepting booth applications for the 2007 festival. The jury process will be used for new crafter applications (*Photos of the craft product are required*). Previous applicants will not be subject to the jury process or require pictures unless they have changed product. This process will help to decide crafter quality.

Deadline for Craft Applications and booth fee is August 31, 2007 with no exceptions or we will not be able to reserve your space from last year. All applications will be stamped with date and time that we receive them. You will be called with acceptance of your application. Approval will be based on duplications of items.

Each booth space is approximately 10x10 in size and available for \$85.00 each, limited to 3 spaces. All crafters will be located in the Armory building. Should your application not be accepted your money will be refunded.
(Refunds will not be granted if a vendor cancels after September 24, 2007)

Shuttle buses will be available.

Thank you for your interest in making the West Virginia Black Walnut Festival Craft Show a quality event. We look forward to seeing you in the fall.
